

HALLOWEEN MOVIES

Yes folks, Movies is the costume theme for the
5th Annual Barnhart Halloween Costume Party
Friday, Oct. 31st 8:00p.m. to ?

So come as your favorite Movie character (as
long as you follow the rules)

THIS IS WHY THERE ← MUST BE RULES!

Last year we trusted all of you to use your best ADULT common sense
In choosing your own costumes, but leave it to a few bad seeds to ruin it
for the rest of us. Therefore, here are the rules concerning this year's
Movie-themed costumes - Things that we do not want to see;

- Terry as any Julia Roberts character. Or Raquel Welch, Heather Graham, Nicole Kidman, Halle Berry, Kim Bassinger, Sandra Bullock, Liv Tyler, Jamie Lee Curtis or any other woman that will give us nightmares later on.
- Tarin as Mr. Creosote from "The Meaning of Life".
- Crystal as Marcel Marceau.. Wait a minute, mimes don't speak-that could be interesting
- Zavrie and/or Evon as John Holmes.
- Doug, all kilts must be at least 2" below the knees.
- Tom as any vegetable, with the exception of a killer tomato.
- Rhonda as Dame Edna.
- Jon as Dame Edna.
- Dick as Dame Edna... no, that would be cool!
- Mike as Columbia from Rocky Horror (trust me, I've seen it).
- Brian as Huggy Bear from Starsky & Hutch. (We really wouldn't want to see Hope as Stasky or Hutch, either).
- Jim & Lynn as Jim & Lynn.
- Adam, see Tom & Terry above. And Zavrie, definitely Zavrie.
- Dave as any gynecological hardware.
- Larry Y. & Joe as anyone from "Priscilla, Queen of the Desert".
- Any of Rhonda's relatives in anything that requires fishnets.
- Retus as Tinker Bell...on second thought. Yes we do.
- Anything related to some bizarre Liberace/Ozzy Osbourne drug-induced morph.
- All others may use this a guide to their own costume choices.
