

It's Back!
Yes, the
Barnhart's
are having
another
hideous &
horrifying
Halloween
Costume
Party & You
are invited !!!

Date: **Saturday, Oct. 30**

Time: **7:30 p.m. - ?**

Place: **The Barnhart's**

RSVP: Please call us at 452-2567 by **Oct. 24** to let us know if you are coming!

Special Events:

1. Prizes for the best men's and women's costumes. (If you don't come in costume you will be forced to judge - and our losers are always a vengeful lot).

2. This year we would like to get 6 to 8 people to volunteer their best dessert. There will be voting and bribery and prizes for all.

The Rules

1. Brenda's cream puffs are not eligible for the dessert contest because no one else will play if they have to compete against them (although she is still encouraged to BRING THEM!)
2. Terry Munson, Retus Thomas, Jim Hayes and Lynn Harrison might just as well not submit anything because they are ineligible to win anything (My party, My rules)
3. Guests wearing costumes incorporating sweet potatoes, cucumbers, zucchini, bananas or any other tubular fruit or vegetable will be dealt with in a severe and potentially hideous manner.
4. If interested in submitting a dessert for the contest, please call Larry or Sue (so I know how many prizes to get!)
5. If you would like to bring chips or appetizers, we could use some "palate cleansers" food between desserts!!!
